Die funkenden Lichter der Großstadt, reflektiert von schimmernden Metalladern im Beton.

Vintageoberflächen durchsetzt mit edlen Metalladern schaffen eine charaktervolle Umgebung, die durch Kontraste lebt und einen einzigartigen Look entstehen lässt.

Big city lights reflected by shimmering metallic veins in the CDnCrete.

Vintage surfaces infused with fine metallic inlays create a distinctive interior, enlivened by contrasts and forging an exquisite look.

Les lumieres scintillantes de la Metropole sont refletees par les traits metaliques incrustes dans le beton.

Les Surfaces Vintage parsemees d'elements metaliques Creent un environnement plein de caractere qui vit grace aux differents contrastes et donne naissance au style unique.
